- TG: @avalok2023

GM! I am Av Alok, a Growth & Marketing Operator in the Web3 space for more than 3 years, focused on scaling products, communities, and real user adoption. Achieved 24× monthly transaction growth, 40× user expansion, and \$3.9M+ monthly volume through high-impact campaigns, partnerships, and strong execution in [p2p.foundation](#).

EXPERIENCE

* P2P.Foundation

Growth & Designer

Feb 2025 - Present

- A global P2P Protocol crypto on/off-ramp enabling seamless fiat ↔ USDC transactions. Drove exponential growth through on-ground campaigns, **scaling the user base 40×, monthly revenue 47×, and global monthly transaction volume 24×.**
- **Hosted 27+ events**, result generating **\$1M+ trading volume in just a single month.**
- Built partnerships with **leading Web3 communities**, **running campaigns** that onboarded new users and boosted adoption.
- Led multi-region ambassador programs and **co-marketing with KOLs & DAOs** to **expand reach** and drive community growth.

* Cryptoholic

Marketing Head

Aug 2024 - Present

- Scaled a nationwide Web3 community from inception, establishing **India's first decentralized student society** with a presence across major institutions like Delhi University.
- Executed high-impact **campaigns, workshops, and community activations** that onboarded users, strengthened engagement and created real learning + earning opportunities. Collaborated with industry partners to bridge students with real ecosystem exposure.

* IIC, SLC | D.U

Head of Tech

Oct 2024 - Sept 2025

- High-impact technical flagship events, including **Hackathons, Ideathons, Business Sessions** and driving a record participation of **250+ students** and fostering a culture of rapid prototyping.
